INTRODUCTION

On behalf of the administration and faculty, the Student Government wishes to welcome the newcomers, as well as those familiar with our campus, to the Student Government Association and the College of the Albemarle.

This student handbook is published in an attempt to introduce to you the regulations, functions, and ideas of the College. Liberal references to this guide will be an aid to your adjustment and progress during your stay at the College of the Albemarle.

We again welcome you to the College and solicit your support in making College of the Albemarle your Alma Mater.

HISTORY OF THE COLLEGE

The seed of the idea for a college in Elizabeth City was planted with the Elizabeth City Chamber of Commerce in 1957, when the State Department of Public Instruction was considering a technical college for Elizabeth City. The technical college idea was abandoned and instead a Community College Act was passed to assist counties to establish their own junior colleges.

Several plans and ideas were advanced by the Chamber during the next few years without being vigorously promoted until 1960, when the former Albemarle Hospital building, which seemed especially well-adaptable for college purposes, appeared to be available after the hospital moved into its new quarters.

Under the able chairmanship of Charles Gordon, a dedicated college committee recruited the support of the county and city governments and almost every organization in Pasquotank County. An indication of the support and desire for a Community College was shown by Pasquotank citizens in their overwhelming two and a half to one vote favoring a tax increase for the county's share of support for a Pasquotank County College.

College of the Albemarle is the first college in the state to be chartered under the Community College Act of 1957.

ELIZABETH CITY N. C.

OFFICE OF THE PRESIDENT

Class of 1964

TO THE CLASS OF 1964:

Welcome to College of The Albemarle! We are delighted that you have chosen to come here and that we are to have the opportunity of working with you as you continue your education. We look forward to our association with genuine pleasure.

College of The Albemarle was founded by the citizens of Pasquotank County who were interested in bringing higher education to this area. In addition to an emphasis on academic standards, College of The Albemarle is interested in growth and development of the whole person. We believe that what a person really is frequently is much more important than what he knows. It is our hope that we may always have on our campus a community of scholars where students and faculty are studying, working, learning, seeking the truth, and living a full life. We invite you to become a member of such a group, believing that you will find it a meaningful and enriching experience.

We are proud of our Student Government and our students. In accepting you as a student here, we place our confidence in you and we shall expect you to live and work honorably so that you may reflect credit on yourself, your family, and this institution.

We look forward to working with you in the years ahead.

Sincerely yours,

C. Robert Benson

Dr. Dewey Stowers
Dean of the College

I am delighted for this opportunity to welcome you to College of the Albemarle. It is my sincerest hope that you will find your academic life here a rewarding experience and that you will give the Student Government your able support in their projects for the current year.

The transition from high school to col-

lege work sometimes proves difficult. Let me assure you that the Dean as well as the faculty is available to you for any help you may require.

The College of the Albemarle has a liberal arts centered curriculum, which has two major goals academically; (1) to prepare students for additional college work and (2) to provide a thorough two-year terminal program. It is my hope that academic accomplishment will be your prime concern in that this policy is synonymous with that of the college.

My best wishes for a successful year.

D. M. Stowers, Jr.

**Claude Davis, Advisor
Student Government Association**

Greetings:

I take pleasure in welcoming all our students to College of the Albemarle. New students will, I trust, find an aura of serious dedication to the principles of scholastic accomplishment. Simultaneously, though College of the Albemarle is not a church supported institution, the student will discover that application of high moral principles is an ancillary objective of the faculty and students of the College.

Looking forward to working with former students again and anticipating many pleasant experiences with new students, I reiterate — welcome to College of the Albemarle!

Working with you is a pleasure. Please call upon me if I may be of service to you.

Sincerely,
Claude Davis
